

Tarvin Primary School  
*Science*  
Whole School Overview 2023-2024

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	Keeping Healthy	Celebrations  Colour	Under the sea  Environment & Sustainability - Oceans	People Who Help Us	Traditional tales  Animals	Minibeasts and Growing
Year 1	Revisit EYFS seasons Seasonal changes					
	Revisit EYFS materials exploration Everyday materials	Everyday materials	Environment & sustainability - Climate Change	Revisit EYFS senses and animal names Animals inc humans – humans and animals	Animals inc humans – humans and animals	Revisit EYFS plants Plants – basic structure and identification
Year 2	Revisit EYFS seasons Seasonal changes, living things and plant identification					
	Revisit EYFS senses and animal names Animals inc humans – humans and animals	Animals inc humans – humans and animals	Environment & sustainability - Plastic Pollution	Revisit EYFS materials exploration Everyday materials and their uses	Revisit EYFS plants Plants – basic structure and identification	Revisit animal diets & EYFS habitats Living things and their habitats
LKS 2 Curriculum A	Revisit KS1 healthy eating Animals inc humans – nutrition, skeletons & muscles	Forces and magnets	Environment & sustainability (Year group specific)	Revisit vocab – properties of materials Rocks	Revisit vocab – transparent, translucent, opaque Light – reflection, eye safety & shadows	Revisit KS1 plants – structure & growth Plants – linking structure to function
LKS 2 Curriculum B	Revisit KS1 food chains Animals inc humans - digestion & teeth	Electricity – simple circuits	Environment & sustainability - Carbon footprints	Revisit KS1 properties of materials States of matter	Revisit KS1 habitats Living things and their habitats	Sound
UKS 2 Curriculum A	Revisit KS1 lifecycles Living things and their habitats – comparing lifecycles	Revisit LKS2 forces Forces – gravity & resistance	Environment & sustainability (Year group specific)	Revisit KS1 day length Earth & space	Revisit lifecycle comparisons Animals inc humans – human ageing	Revisit LKS2 states of matter Properties and Changes of materials
UKS 2 Curriculum B	Revisit LKS2 Living things classification Living things and their habitats – classification system	Revisit LKS2 nutrition Animals inc humans – circulatory system	Environment & sustainability - Air Quality and Pollution	Revisit LKS2 fossils Evolution and inheritance	Revisit LKS2 electricity Electricity – circuit components & symbols	Revisit LKS2 light Light – how light behaves
